Vision for the Future:

Aug 8th 2006

Temple Expansion Status

We are at the point of taking the major step of signing the contract for your Temple Expansion. Here is the financial status.

Temple Expansion Bid	\$2,200,000
Cash at Hand	\$ 400,000
Pledges outstanding	\$ 300,000

The contractor needs to see that we have **ability to pay**. So there will be an **interim plan** to secure the funding for immediate future for construction to begin. Board of Trustees, with many others, is looking in to securing guarantees and loans to enable us to sign the contract and to get **STARTED AS SOON AS POSSIBLE**. The bids are valid for a limited time only and any delays will only add to the cost.

As you can see we need at least 1.5 million more in funds to complete this project. Even though this seems like an insurmountable amount to overcome, we can do this with your support and donation of as little as only \$500 per family. We would like to explain the details of the bid, interim plan, and any other questions you might have at one of the dinners being arranged as described in this mailing. Please do sign up for any one of the dinners and commit a minimum of only \$500 donation towards the temple expansion and you will see your DREAM EXPANSION COME TRUE. Your donation may be spread over two or three installments but must be paid before end of this year – Dec 2006 (tax-deductible donation receipts will be given at the dinner). You can also pay by visa or mastercard.

The community is very proud of the accomplishments and the growth of the Temple and it is time once again to come together to fulfill our vision for today and the future generations. Your generous donation and strong support is critical for moving forward at this time of need for the vision to come true.

Thank You
Board of Trustees, HTCC
